P&P Guide VS. Other Requirements

- ⚠ If a conflict exists between a policy described in the P&P Guide and a state regulation, administrative rule, or contract provision, then the provisions of the applicable state regulation, administrative rule, or contract provision prevail.
- CPRIT relies on the Uniform Grant Management Standards (UGMS) when none of the above-mentioned sources provide answers.

11

Where to find the latest P&P Guide

- Go to <https://cprit.texas.gov/>
- Click on "About Us" in the top header
- Click on the "Statute, Rules, and Grant Policies Guide" tab on the right-hand side of the page
- Scroll down to Grant Policy Guides section and click on "CPRIT Policies and Procedures Guide"

12

Locating P&P Guide Updates

- Refer to the Version Control section at the beginning of the document.
- The Version Control section outlines which sections within the P&P Guide received updates from the previous edition.

13

How to Use the P&P Guide

- Each chapter is broken up into sections with descriptive headings. For the most part, the P&P Guide is organized in a chronological order to follow the life of a grant from application to close out.
- To find specific terms within the P&P Guide:
 - Use "Ctrl + F" on a PC
 - Use "Command + F" on a Mac

Administrative Rules

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS

16

Rulemaking Process & Importance

- As a state agency, CPRIT must follow the specific requirements of the Administrative Procedure Act (Tex. Gov't Code Chapter 2001) when the agency proposes new rules or changes to existing rules.
- Many grantee requirements are found in CPRIT's administrative rules, which is why it's important for grantees to be familiar with the rulemaking process.

2. Restriction on Communication during Due Diligence Regarding a Pending Grant Application

- Generally, grant applicants and peer review members are prohibited from communicating with one another regarding the substance of a pending grant application from the time CPRIT begins accepting applications until the applicant receives final notification of an outcome.
- This rule amendment carves out an exception that allows the Product Development Review Council Chairperson to assign a peer reviewer to participate in the due diligence interview during the due diligence stage of grant application review.
- All grant applicants that reach due diligence review will be subject to this exception and may communicate directly with the assigned peer reviewer member without violating the general communication restriction in § 702.19.

Personnel Level of Effort (PLOE)

64

PLOE - Findings & Errors

- Level of Effort: Maintaining level of effort for PI/Co-PI as approved by SRC/OC to ensure adequate leadership of projects. Strong justifications for decrease will be reviewed along with CPRIT request to reduce the overall budget in ratio to % reduction
- PLOE needs to be accurate for each employee on the grant

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS

71

71

NCE

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS

72

- No Cost Extensions- Decisions regarding NCE are based on several factors including the documentation of progress and documentation that the work proposed for the NCE is consistent with the initial award.
- CPRIT will not approve a NCE without a PI level of effort appropriate to scope of work being conducted
- If you receive a no-cost extension, you must complete a PLOE for the extension time period.
- For NCE's, the final report date changes but an additional annual report is required as well as quarterly reports until the end of the contract

72

NCE

> No Cost Extensions

- Include time, process and justification requirements
- PI needs to have measurable level of effort during an approved NCE
- In order to receive a no cost extension, a grantee must be in good fiscal and programmatic standing
- No automatic approval of a grantee's first no cost extension request

- Must be submitted at least **30 days prior** to contract termination but not more than 180 days prior

73

NCE

For No Cost Extensions (NCEs) the **PLOE comes in as a zero by default** – make sure PLOEs are current and accurate for NCEs

- Grantees should upload 100% of matching support documentation at the time the MCC form is completed and uploaded to CGMS
- MCC will not be approved until all documentation is uploaded by the Grantee and reviewed by CPRIT

77

MCC

CANCER PREVENTION & RESEARCH

Support documentation should include

- Matching Ledger
- Invoices related to Match expenses
- Proof of payment
- Applicable bank statements

P&P Guide Reference:
6.4 Matching Fund Certification and Verification

78

MCC

- If a grantee fails to expend its matching funds requirement for the year, the deficiency may be carried forward and added to the matching fund requirement for the next project year so long as:
 - the deficiency is equal to or less than 20% of the total matching funds required for the same period; and
 - the grantee has not previously had a matching funds deficiency.

70

79

MCC

Allowable Expenses Toward Match (not exhaustive list)
* Any expense that can be claimed for grant reimbursement
* Unrecovered indirect costs up to ten percent (10%) of the grant award amount (in addition to 5% indirect costs claimed for reimbursement) DOES NOT APPLY TO ACADEMIC INSTITUTIONS
* An employee's salary amount that exceeds CPRIT's \$200,000 cap
* Travel expenses that exceed the GSA per diem limit on hotel rates or meals
* Airfare costs that exceed coach class airfare
* Foreign travel related to CPRIT's funded project
* Taxes that are effectively user fees (hotel taxes, gasoline tax, or airfare tax)

20

80

MCC

- Grantee expenditures must be direct costs spent on the CPRIT-funded project or on closely related work
- 'Closely related' is interpreted as work that supports, extends, or facilitates the CPRIT project, even if the work is not supported by CPRIT funding

22

81

MCC

Sub-awardee Contribution Towards Match
